D76 has an outcross pedigree with excellent quality skin, carcass and weight for age. Monica W67 has bred exceptionally well. We retained her first son, Ned Henry VIII Z3, and used him in our stud; her next son sold in the 2008 bull sale for \$7,500. We saw this bull's sire, Banquet Bundy's full sister. She is an excellent donor cow at Banquet. D76 was 34kg born and has grown into a powerhouse bull.
